Re: WT Docket No. 13-85 Order

Dear Chairman Wheeler,

I have learned of your recent decision that denied the *Second Thursday* relief necessary to effectuate the bankruptcy plan of Maritime Communications/Land Mobile, LLC, Debtor-in-Possession which effectively blocked implementation of a bankruptcy plan approved by the United States Bankruptcy Court for the Northern District of Mississippi. It is my understanding the Commission determined that the possible release of a single individual from loan guarantees outweighed the benefits associated with repaying numerous innocent creditors – many of whom are my constituents – via the court-approved bankruptcy plan. I am troubled by this outcome and respectfully urge your to reevaluate your decision.

Thank you for your attention to this matter. Should you have any questions or wish to discuss this matter, please do not hesitate to call me, or have a member of your staff contact me at 615-714-1719.

Sincerely,

Jim Cooper  
Member of Congress
